MOHAMED ELSAYED HAFEZ ADAM

HEAD OF PERFORMANCE MARKETING · SAAS FOUNDER

Cairo, Egypt +20 100 629 9068 m.adam@buildincairo.com meta.buildincairo.com

PROFILE

Performance marketing leader and self-taught product builder with eight years of paid acquisition across Meta, Google, TikTok, Snapchat and LinkedIn. Head of advertising for a Cairo-based marketing group, managing EGP 500K+ in monthly ad spend, founder of Build in Cairo Agency, and founder of Adams Analytics — a Meta Ads management platform with official Meta Tech Provider status, built end-to-end solo. Bilingual (Arabic/English); turns campaign data into full-funnel strategy, disciplined budgets and client-ready reporting.

EXPERIENCE

Founder & SaaS Product Lead — 2025 – Present

Adams Analytics · meta.buildincairo.com

- Built and launched a Meta Ads management SaaS end-to-end in nine months as a solo founder, using AI-assisted development with Claude Code
- Secured official Meta Tech Provider status with approved Marketing API permissions
- Architected the full stack — Next.js, TypeScript, Prisma/MySQL — with Meta OAuth and per-user token management
- Engineered agency-grade reporting over ~730 mapped Meta Ads fields with daily metric ingestion
- Shipped a bilingual English/Arabic product experience with full RTL support

Head of Advertising Department — 2024 – Present

Confidential — Marketing Group · Cairo, Egypt

- Lead the media buying team across campaign strategy, budget allocation and performance targets
- Own EGP 500K+ in monthly ad spend, allocating budget across brands and channels
- Mentor media buyers and set standards for campaign structure, creative testing and optimisation
- Report advertising performance and growth insight directly to senior leadership

Founder & Performance Marketing Director — 2021 – Present

Build in Cairo Agency · Cairo, Egypt

- Lead media buying and growth strategy on Meta, Google, TikTok, Snapchat, LinkedIn and YouTube for clients in logistics, furniture, travel and security tech
- Develop full-funnel media plans, multi-scenario EGP budgets and investor-ready pitch decks
- Built client reporting systems: quarterly performance reviews, brand equity dashboards and bilingual trackers
- Deliver Arabic keyword research and market analysis for Egypt and the GCC

Performance Marketing Specialist / Media Buyer — 2018 – 2021

Freelance & Agency Projects

- Planned and executed paid acquisition on Meta, Google, TikTok and Snapchat, progressing from execution to account strategy and budget ownership

Web Developer — WordPress & Shopify — 2016 – 2018

Freelance

- Designed and launched e-commerce and business sites, including bilingual builds with RTL support
